

UF ASTRO

MARS!

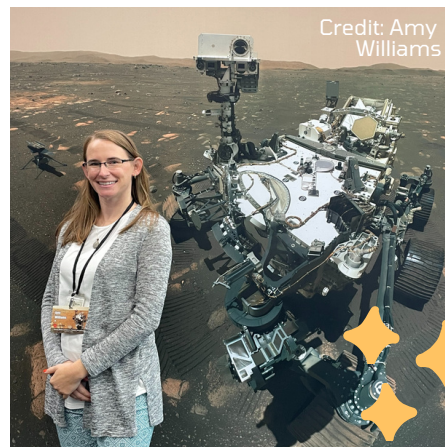

CLOSEST APPROACH EVENT

FRIDAY
12/9

UF's Astronomy Department is hosting a special Mars event, **free and open to the public**, on Friday, December 9!

Please join us at 7:30 PM in the New Physics Building, where local Mars expert **Dr. Amy Williams** will tell us some of what the Mars rovers have revealed about this alien surface.

This special talk will be followed by live science activities as well as **views of Mars and other interesting objects** at UF's Campus Teaching Observatory. See you there!
